WeldTec®

The WeldTec® lineup of air cooled TIG torches is one of the broadest and versatile on the market. Proudly made in the USA. Now outfitted with the Twister™ Power Cable standard or your choice of the optional two piece cable assembly.

AIR COOLED MODELS

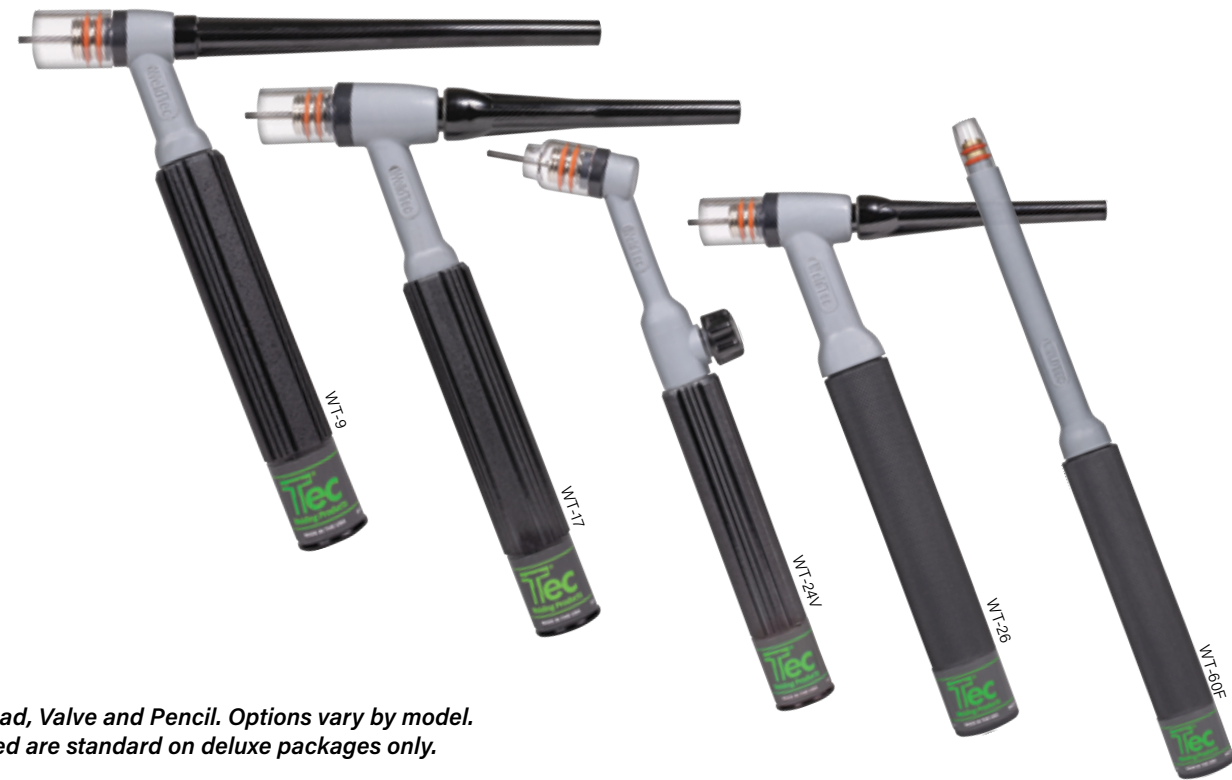

WT-9 SERIES
125 Amps Air Cooled

WT-17 SERIES
150 Amps Air Cooled

WT-24 SERIES
80 Amps Air Cooled

WT-26 SERIES
200 Amps Air Cooled

WT-60 SERIES
60 Amps Air Cooled

Available with Flex Head, Valve and Pencil. Options vary by model. Quartz nozzles pictured are standard on deluxe packages only.

WeldTec®

The WeldTec® range of water cooled torches takes performance to a higher level. from the small WT-24W, the WT-20H midsize, to the high production WT-18. All feature "around the head" water cooling for maximum performance. Made in the USA.

WATER COOLED MODELS

WT-18 SERIES
350 Amps Water Cooled

WT-20 SERIES
225-300 Amps Water Cooled

WT-24W SERIES
180 Amps Water Cooled

WT-25 SERIES
225 Amps Water Cooled

WT-125 SERIES
125 Amps Water Cooled

Available with Flex Head, Valve and Pencil. Options vary by model. Quartz nozzles pictured are standard on deluxe packages only.

WeldTec®

The WeldTec® lineup of air cooled TIG torches is one of the broadest and versatile on the market. Proudly made in the USA.

MACHINE TORCHES

WT-23 SERIES
130 Amps Air Cooled

WT-27 SERIES
200 Amps Air Cooled

WT-29 SERIES
180 Amps Air Cooled

WT-22 SERIES
260 Amps Water Cooled

WT-27 SERIES
500 Amps Water Cooled

WT-28 SERIES
350 Amps Water Cooled

Stubby®

Stubby Torches offer unprecedented versatility for light duty TIG welding. USA made, these torches allow interchangeable heads* that can be changed in seconds. Better weld puddle control with less hand and wrist fatigue.

WTS-9
125 Amps Air Cooled

WTS-17 SERIES
150 Amps Air Cooled

WTS-18 SERIES
200 Amps Water Cooled

WTS-20 SERIES
200 Amps Water Cooled

WTS-24 SERIES
80 Amps Air Cooled

WTS-24W SERIES
180 Amps Water Cooled

*Interchangeable heads offered separately.

Speedway®

High performance TIG welding series. Super Flex™ hoses and power cable provide maneuverability. Speed Nut™ hose connections mean no more troublesome wire clamps. Speed Bump™ ergonomic handle shape lays comfortably in your hand and can be rotated 360° to allow for long work cycles without tiring. Quality performance made in the USA.

SW-320
320 Amps Water Cooled

SW-320A
320 Amps Water Cooled

SW-450
450 Amps Water Cooled

Quartz nozzles pictured are standard on deluxe packages only.

i-Head®

These exciting i-Head® torches give new meaning to versatility in TIG welding. Three distinct variations; Flex, Ball and Roto allow you to choose the model that best suits your needs. Interchangeable head styles available*.

WTB-9
125 Amps Air Cooled

WTF-17V
150 Amps Air Cooled

WTF-18
250 Amps Water Cooled

WTR-20
230 Amps Water Cooled
